Class Description
This class is designed to acquaint and interest students in lifetime and team sports. This class helps students to develop concepts, strategies, and rules associated with each sport.

Objective of the Class
The student will…
- Gain knowledge and fundamental skills related to each sport.
- Be able to perform various skills associated with each sport.
- Be knowledgeable of terms and strategies used in each sport.
- Have the ability to identify various rules and regulations of the sport.
- Be required to take written test and skills test to evaluate the student’s knowledge.

Department Guidelines
1. Dressing properly in each class is an important part of our physical education program. Evaluation of student performance directly correlates with class participation.
2. Each class period not dressed out will result in a 5 point deduction from the student's grade due to not being prepared. Make up work will be allowed to get the points back.
3. We require all students in P.E. to wear T-shirts or sweat shirts, shorts or sweat pants, and appropriate shoes. No Flip Flops allowed.
4. Cheer shorts will be allowed but not rolled up. 1 warning and then discipline referral for inappropriate dress.
5. Students are responsible for their own valuables. Locks should be brought from home. DO NOT LEAVE VALUABLES IN THE DRESSING ROOM WITHOUT A LOCK.
6. Sickness or Injury: If sickness or injury occurs, only a note from a doctor or a telephone call from the parent before class will be allowed. The prior contact will excuse the student from participating, but NOT dressing out.
7. ALL missed work must be made up. If you are absent for any reason, excused or not, the work has to be made up.
8. I will call your parents if there is a problem in my class.
